Preventive Mental Health Conference
Tuesday 24 to Wednesday 25 March 2026

***‘Doing Better – Working together
to promote and protect the mental health and
wellbeing of people in Australia’***

About the Conference

Dear Potential Sponsor,

The Public Health Association of Australia (PHAA), Prevention United and the Conference Advisory Committee invite you to consider sponsoring the [Preventive Mental Health Conference](#) to be held on Tuesday 24 and Wednesday 25 March 2026 at the Novotel Parramatta, Sydney NSW.

This year's conference theme is *'Doing Better – Working together to promote and protect the mental health and wellbeing of people in Australia'*.

Mental wellbeing is a vital life asset and the bedrock for a happy, healthy, connected, productive and prosperous nation. Yet, over the last 20 years, we've witnessed a dramatic rise in mental ill-health, particularly among young people, and a 31% increase in the levels of disability and premature mortality associated with these conditions. Mental health and substance use disorders are now the second largest contributor to the burden of disease in Australia and improvements in this area are falling well behind the improvements seen in conditions such as cancers and cardiovascular disease.

This two-day conference will discuss how we can strengthen efforts to promote mental wellbeing, prevent mental health conditions, and reverse the rising tide of mental ill-health in Australia and its impact on individuals, families, and communities. The conference will bring together community members and public health and mental health researchers, policy makers and practitioners to discuss current policy, services and practice in mental health promotion and preventive mental health in Australia. Conference discussions will consider what's working and what's not, what we can do to strengthen the results we are achieving, and how we can better collaborate across settings and sectors to achieve measurable improvement in the mental health and wellbeing of people in Australia. We can do better by working together.

Sponsorship of the event offers a strategic opportunity to demonstrate the support your organisation gives to preventive mental health and to associate your brand with thought leadership, sector networking and partnership development.

The PHAA team is committed to working with sponsors to match sponsorship packages to the strategic objectives of your organisation to ensure you are satisfied with your involvement and return on investment.

We would be delighted to discuss these promotional opportunities or any further ideas you may have for promoting your products or services.

We look forward to working with you.

Kind regards,

Terry

Adjunct Professor Terry Slevin
CEO, Public Health
Association of Australia

About the Conference

Sponsorship packages

Conference objectives

- To raise the profile of preventive mental health and mental health promotion in Australia and support the continued growth and development of these fields.
- To build leadership and momentum for collective change.
- To showcase evidence-based and evidence-informed approaches to promotion and prevention in everyday settings and communities.
- To centre the voices of people with lived and living experience of mental ill-health, their carers, and the broader community in mental health promotion and preventive mental health.
- To promote multi-disciplinary collaboration between people in mental health, public health, and other sectors, particularly those working in research, practice, and policy development.

Delegates Profile

- Leaders and decision makers working in State/Territory and Federal government mental health commissions, health departments and statutory bodies such as VicHealth, Preventive Health SA, Health and Wellbeing Queensland, and Health Way.
- People with lived and living experience of mental ill-health and those who love and care for them.
- Practitioners, researchers, advocates, and peer workers working in settings that have a role to play in mental health promotion and preventive mental health.

Engagement Opportunities

Sponsoring and/or exhibiting at the Preventive Mental Health Conference 2026 offers the opportunity to:

- Demonstrate your organisation's support of preventive mental health;
- Promote your organisation and products to delegates;
- Increase brand awareness with an engaged, relevant and influential audience; and
- Network and build new relationships with key industry figures.
